PLASTIC SURGERY
TRAINEES ASSOCIATION **PLASTA**

| |
|--|
| Fellowship Title / Hospital: Skin cancer surgery, Guy's & St Thomas' Hospital |
| Fellowship Director: |
| Consultants Attached to Fellowship/Department: Mrs Geh, Mr Healy, Mr Ross |
| Aims / Subspecialist Areas of Interest: The workload principally involves wider excisions of skin cancers in all parts of the body, scalp, nose, ear, cheek and eyelid reconstructions following Mohs' micrographic surgery, as well as axillary, groin and pelvic dissections. The management of the skin cancer patient from single T1 tumours to complex cases with recurrence or multiple co-morbidities will be an integral part of the training scheme, and exposure to all aspects of skin cancer treatment including non-surgical care. Opportunities exist to observe laser treatments, complex reconstruction for advanced skin cancers, neck dissections and free flap reconstructions |
| Length of Fellowship: 12 months |
| Career Grade of Applicants: post-FRCS (Plast) |
| Extra Information (on call commitments, research opportunities etc): On call (1 in 18 as per advert), attendance at MDT meetings, multicentre surgical research and educational opportunities if desired, teaching and supervision of departmental colleagues and rotating medical students |
